Scholarship information	École Polytechnique does not provide scholarships for exchange students.				
Dormitory information	École Polytechnique arranges on-campus housing for exchange students, where and if				
	possible.				
	Some rooms are available on the campus or nearby for students on exchange during the Fall				
	semester or the Full academic year. Please note that only students on exchange during the				
	Spring semester are not guaranteed on-campus housing and may need to make other				
	arrangements.				
	We will provide students with relevant information and advice on self-arranged accommodation.
