

Procedures for “Plurilingual and Pluricultural Studies” Program Completion via Study Abroad

Program completion will be recognized upon studying abroad with a faculty approval in a specific linguistic region and submitting a report to the program coordinators.

- Document: Fill in the Study Abroad Program Completion Application and provide a report.
- Topic: Provide a report on your personal experience, detailing how your study abroad program deepened your understanding of the local culture and society
- Submission deadline: Within a month of your return, in principle.
- Submission method: Please send an email to **plus-group@keio.jp** with the subject line: "Study Abroad Program Completion Application (Your Name)". If you do not receive a response within a few days, please contact the program coordinators.
- We strongly recommend that you consult with the program coordinators about your exchange program schedule before your departure.
- Inquiries: plus-group (at) keio.jp
