

Application Procedures and Guidelines for the 2014 Keio University-Global Alliance in Management Education (CEMS) MIM Programme

1. About the Programme

The Graduate School of Economics offers a double-degree programme with CEMS, the Global Alliance in Management Education. CEMS is a strategic alliance of 29 of the world's top-level business schools and universities, multinational corporate partners and social partners, and offers a Master's Degree in International Management (CEMS MIM). There are three key components of the CEMS program: Term 1 (the equivalent of Keio's fall semester), Term 2 (the equivalent of Keio's spring semester), and an internship of at least 10 weeks. In general, at least two of these components must be taken outside Japan. If Term 1 and Term 2 are taken outside Japan, students take CEMS courses at one of the CEMS schools for Term1 and at another CEMS school for Term 2. If one of the terms is taken at a CEMS school other than Keio and the internship is taken outside Japan, students can take the remaining CEMS' term at Keio University.

For information about CEMS please see

“For Keio Students (<http://www.ic.keio.ac.jp/en/study/cems/keio/index.html>)”.

2. Eligibility

Individuals who meet all of (i), (ii) and (iii) prescribed below are eligible for the programme.

- (i) Applicants should already be enrolled in/admitted to the Master's programme offered by Graduate School of Economics, Keio University.
