

Application Procedures and Guidelines for the 2017 Keio University-Sciences Po (KUSP) Double Master's Degree Programme (For those who are planning to apply for admission into the Master's Programme in Economics at Keio University as part of the KUSP Double Degree Programme.)

1. About the Programme

The KUSP Double Master's Degree Programme is a two-year programme, with Year 1 commencing in the autumn of 2017 and being spent at Sciences Po, and Year 2 commencing in the autumn of 2018 and being spent at Keio. However, due to differences in the academic calendars, students from Keio must have earned 4 credit points at Keio before joining Year 1 at Sciences Po.

The Programme is designed to enable students to acquire the core knowledge in economics, quantitative methods, law and political science that is needed to design and evaluate public policies. Students who successfully complete the Programme will be granted a Master de Sciences Po from Sciences Po and a Master of Arts in Economics from Keio University.

2. Eligibility

Individuals who meet both (i) and (ii) prescribed below are eligible for the Programme.

(i) Applicants should meet any of the qualifications (a) to (f) listed below.

(a) Applicants who have graduated, or are expected to graduate from a university by the end of March 2017.

(b) Applicants who have been granted, or are expected to be granted a bachelor degree by the National Institution for Academic Degrees and University Evaluation by the end of March 2017,

(c) Those who have completed a professional course, which is specified by the Minister of Education, Culture, Sports, Science and Technology, at a special training school (which minimum term of study is four years and meets all criteria set by the Minister of Education, Culture, Sports, Science and Technology of Japan) on or after the specified date, or those who will complete the course by March 31, 2017.

(d) Applicants who have completed, or are expected to complete 16 years of school education overseas by the end of March 2017.

(e) Applicants nominated by the Minister of Education, Culture, Sports, Science and Technology.

(f) Applicants who have completed 15 years of school education overseas, and who have been recognized by the Graduate School of Economics, Keio University, as having obtained the necessary credits required by the Graduate School of Economics, Keio University, with excellent grades.

(g) Applicants who have been recognized by the Graduate School of Economics, Keio University, as having abilities at least equivalent to that of a university graduate.

- (ii) Applicants should meet one of the following two English language requirements:
- (a) a score of 7.0 or more in the case of IELTS and a minimum mark of 6 for each category.
 - (b) a score of 100 or more in the case of TOEFL iBT.

IELTS or TOEFL iBT score reports are valid for two years. The score report must be of a test taken by the applicant between 1 June 2014 and 22 May 2016. Scores will be deemed to have expired if the test was taken more than two years prior to submission of this application, namely, before 1 June 2014.

Please also note that as a result of the screening process, applicants to the Programme may be granted admission to the Graduate School of Economics, Keio University, as a first year student in the master's course commencing in the spring of 2017, but not be granted admission to the KUSP Programme commencing in the autumn of 2017.

Regardless of whether an applicant is a foreign student or a domestic student, he/she cannot apply to KUSP as a foreign student and a domestic student at the same time

Applicants to the KUSP Programme cannot simultaneously apply for the CEMS MIM Programme.
