

Double BA Programme between Keio University and Sciences Po

Application Guidelines for AY 2023

We are pleased to announce to receive applications for a double BA programme in economics between Keio University Faculty of Economics and the Institut d'Études Politiques de Paris (known more simply as "Sciences Po"). Participants in this programme will study at the Le Havre Campus of Sciences Po for two years. Upon satisfying the graduation requirements of both institutions, two bachelor's degrees will be awarded. After graduation, dual degree students will have the further option of advancing to the MA programmes at Sciences Po.

Please see the outline of the programme on the website of the Faculty of Economics:

<https://www.econ.keio.ac.jp/en/undergraduate/abroad/sciences-po>

1. Participation eligibility : New matriculants at the Faculty of Economics in AY 2023 and 1st year students in AY 2022, **with required minimum test score is 90 for TOEFL iBT or 6.5 for IELTS.**

- ※ High school graduation date should be in or later than March 2021.
- ※ Fulfilling the language requirement with TOEFL iBT MyBestScores not accepted.

2. The number of students to be admitted in the programme : Approximately ten

3. Application period: March 10th (Fri.), 2023 - March 13th (Mon.), 2023, 4:45pm (Japan time)

Submission of application documents : Please apply via designated google form.

<https://forms.gle/L3jJtUJ9bf6Adyr68>

<http://www.econ.keio.ac.jp/undergraduate/abroad/sciences-po/ddforms>

5. Notes for preparing required documents and application :

- (1) Fill out the prescribed Forms.
- (2) You can write whatever you think appropriate in the statement of purpose (document ③), such as explaining why you are applying to this programme, what you expect, what you would like to achieve through this programme.
- (3) Please carefully review all the materials before submitting your application because we do not contact applicants even if documents are incomplete.
- (4) After passing screenings by Keio University, applicants proceed to online application to Sciences Po.

6. Screenings and announcement of the results:

- (1) Screenings by Keio University (Document screening and interview)
 - ①The document screening (the first screening)
 - ②Interviews : March 24, 2023 (Friday)

Applicants who have passed the first screening will be notified of the details of the interview, including its time and venue, at least one week prior to the interview day.
 - ③Announcement of Keio selection results : End of March-Early April
 - (2) Final Screening (Document screening by the joint selection committee consisting of Faculty of Economics, Keio University and Sciences Po.)
 - ①Online application deadline: Early April

Details of how to apply through online application will be notified to those who have passed the screening by Keio University.
 - ②Announcement of Final Results: Early April-Mid April
- ※ In addition to academic record and English ability, multiple factors, including motivation and eagerness to participate in the double degree programme, adaptability to different culture and environment, and preparation for studying abroad, are comprehensively evaluated in screening.
- ※ Those who are selected to have an interview are contacted by e-mail. Final results are also notified to applicants by e-mail.

7. Course registration after passing the final screening :

- (1) In principle, students who entered into university in April study French in the spring semester right before studying at Sciences Po.
- (2) At Sciences Po (Le Havre campus), students register courses in accordance with curriculum there. However, in order to meet double degree requirements, choices of electives are restricted to some extent.
