- * Download Forms No. 1-5 from the following webpage
<https://www.econ.keio.ac.jp/undergraduate/abroad/brandeis5yrbama/5-yearbamaforms>

6. Notes for preparing the required documents and your application:

- (1) Fill out the prescribed forms.
- (2) For the Letter of Intent (Form 3), you should write about the reasons why you are applying to this programme, what you expect from this programme, what you hope to achieve through this programme, and anything else you consider appropriate.
- (3) Please carefully review all the materials before submitting your application because we do not contact applicants even if documents are incomplete.

7. Screening and announcement of the results:

- (1) Screening by Keio University (Document screening and interview)

- ①Document screening (the first screening)

- ②Interview: Thursday, November 30, 2023

Applicants who have passed the first screening will be notified of the details of the interview, including its time and venue, at least one week prior to the interview day.

- ③Announcement of Keio selection results: Early December

- (2) Final Screening (Applying to Brandeis and Document screening by Brandeis)

- ①Applying to Brandeis: Due in Mid-January

NOTE: A letter of reference by a professor (your academic advisor) is required.

- ②Announcement of final results: Late February - Early March (tentative)

- ※ Screening is based on a comprehensive assessment. In addition to academic record and English ability, the evaluation criteria also include aspects such as motivation, research ability and preparation for studying abroad.
- ※ Invitation to the interview and notification of the results will be done via keio.jp message.

8. Other

Make sure you can satisfy course requirement, including intermediate microeconomics and econometrics.
